

LEWIS PRAYER LETTER – 31 MAY 2017

Greetings brethren in the name of our Lord Jesus Christ.

Please forgive me for the longest time without news. So much has been happening so fast that I am barely finding time to sit and write. We have a team in our church that is developing a new dynamic website with Pastors Blog and much more that will enable me and you to stay in touch on a regular basis. There will be a Pastor's Log of all the exciting events that are taking place in our ministry.

Once again we can only give thanks and praise to our Great God and Saviour for His superabundant grace in so many areas of ministry.

We rejoice that during the past few months we have had a number of people trust in Christ - both youth and adults.

We had a music team from Bob Jones University visit our church and then do a concert in the Fisantekraal Township. There must have been about 100 children at that concert. They were shown the instruments and allowed to "touch" them all. Dr Moore shared the Gospel and we asked if any of the kids would like to stay behind and chat with us we would be happy to go through the Gospel with them. None did but the security guard Asakhe did. She quoted Dr Moore's words

saying that she had a big hole in her life and wanted to know more about Jesus Christ. Sipokhazi a recent convert herself shared her faith with her, then Nolufefe and finally Ps Jim answered her questions and she accepted Christ as her personal Lord and Saviour. Praise the Lord.

At Youth last Friday after ps Jim taught John 11 we had three youth come to know Christ. What a privilege to lead these young lives to Christ.

We are going to be able to send about 20 youth to the Winter Camps this year and are busy raising support. They are without any means to pay themselves. if you would like to support a camper please let me know. The cost per camper is R500

On a personal and sad note my Mother has just undergone surgery to repair a fracture in her left arm and the Dr's discovered lesions in various places in her body and have come to the conclusion that she has Stage 4 cancer originating in her kidney. We will meet with an oncologist tomorrow to discuss the way forward. We rejoice in the fact that Mom, Peggy knows the Lord Jesus Christ as her personal Saviour and that her faith is secure in Him.

PRAYER REQUESTS:

1. Please praise the Lord with us and pray that the doors of opportunity for the Gospel continue to open for people to hear the Gospel and be saved.
2. Please pray with us now for wisdom and grace to help Mom during this final chapter in her life.
3. Please pray for grace and wisdom for me as I lead our flock - many are experiencing all sorts of deep trials at this particular moment.

Thank you so much for your continued support and prayers for my family and for your support of our ministry.

It's such a blessing to partner with you in the Gospel ministry and for you to know that every soul that is saved you are a part of that. Thank you for investing your lives in this Gospel ministry souls are being saved. To God be the Glory.
