

Lewis Prayer Letter

October 2017

2on1 and 98, 12&430 000 and 25 000.00 and then 50

Greetings brethren,

Thank you so much for your continued support of our ministry efforts in church planting in Cape Town.

What's in a number?

2on1 - recently we were treated to a week holiday on the West Coast. We had a great time with our co-workers, The Millers. One of Amy's classmates Jason came with us as they had photo projects they had to work on through the holidays. Well Jason found himself alone with 2 evangelists on Wednesday afternoon and we were able to take him through the "**Story of Hope**" slides app from ABWE. When we reached slide 98 Jason trusted in Christ. The trigger was that Christ had become the final sacrifice for the payment for sin! Praise God for his salvation. Please pray for his spiritual growth to maturity as I disciple Him.

12 years ago we bought a second hand Camry with funds that the Lord had supplied. This car has served us so well over the years. Anyone who knows a Camry will know that they are multi-functional serving as car, bakkie and taxi. Well it came time to say goodbye to it last week as it reached **430 000km** on the clock and has started costing too much to maintain. We thank the Lord for this vehicle and for the many hours spent in His service and for being able to sell it in a day!

With regards to my Mom recently receiving news that she had stage 4 Kidney cancer she began treatment with tablets costing **R25 000.00** per month. The side effects were supposed to be minimal - well after one week and no longer being able to eat or use her hands she decided to stop the treatment. She is fit and able again and we take it day by day by His grace and will deal with whatever pain comes her way at the time. For now Mom is content in the Lord.

Finally and most importantly we thank the Lord for His continued grace in our ministry, for our co-workers Jim and Terry Miller and for the nearly **50** professions of faith this year in our ministries. We are continuing to look for property in Fisantekraal in order to build a church in the Fisantekraal Township and ask that you continue praying for this.

Please continue praying with us for opportunities for the Gospel, for the property in Fisantekraal and then for Filip & Amy as they continue working on becoming full time missionaries. We thank the Lord for the ministry team we have in these church plants and pray that He will continue leading and guiding us as we serve Him here.

Thank you for your precious partnership with us in the Gospel ministry.

Yours in the love of Christ,
Cal & Sue Lewis
